THE
COUNTY of SOUTHAMPTON
sold for
FIVE THOUSAND POUNDS,
At ASCOT HEATH.

IT is positively asserted, and not in the least disbelieved, that the DUKE of BEDFORD betted LORD BARRYMORE Five Thousand Pounds that Lord JOHN RUSSELL comes in for HAMPSHIRE. Mr. JERVOISE must then give up, to secure Lord John's Election, and his Brother's Five Thousand Pounds.

Can Mr. Jervoise, the long-boasted popular Candidate, be guilty of so much Meanness? Or will the Hampshire Freeholders be duped by such an Artifice?
